

# Fact Sheet

## About FAHCS

As Providers support patients, they themselves must also be supported. FAHCS strives to raise awareness, provide assistance and bring equality to Providers as we strengthen the industry. Through information, education, networking and government advocacy - both state and federal, we are able to provide the helping hand that patients and businesses need and deserve.

## Mission

FAHCS, led by a board of industry experts, maintains a high standard of advocacy. Established in January 2009, we fight to protect and preserve the integrity of our industry as providers and the beneficiaries we serve. We are working with providers and government agencies to enhance the industry.

## Why FAHCS

- Timely access to key information
- Exceptional education events and networking opportunities
- Expand your network and gain new ideas from like-minded business professionals
- Powerful and united voice at the local, state, and federal levels
- Grassroots lobbying campaign guidance
- Partnerships with key stakeholders to strengthen the industry

## Member Benefits

### Info & Communications

Member-exclusive committee updates, latest industry news, and advertising opportunities for Associate members.

### Education

Numerous education opportunities in multiple formats facilitated by FAHCS and its industry affiliates and partners.

### Government Advocacy

Achieving numerous goals, on both state and federal levels, including: preventing legislation from creating competitive bidding in Medicare's Waivers on two occasions, and reversal of an approved plan to remove HME providers from the Medicaid Diabetic Program, and regular engagement with AHCA and affiliate organizations and health plans.

### Discounts

Reduced rates on high-quality programming, meetings, webinars, entertainment, and seminars.
